No service changes—service remains with your local utility.

The best part is that nothing about your service will change. Your local utility will continue to deliver your electricity, read your meter, handle service emergencies, and send your monthly statement. You'll be earning Cash Back and saving money, while still enjoying the safety and reliability of your current service.

How do I earn Cash Back?

Once you select Energy Plus, you will receive a Cash Back rebate check automatically after every 12 months of service. Your Cash Back rebate will be calculated based on your annual electricity supply bill.
